THE GALENA and CHICAGO

UNION RAILROAD.—The Galena and Chicago Railroad, commencing at the City of Chicago, in the State of Illaaels, roans to Freeport, in Stephenson County, a distance of
120 miles, at which point it connects with the Galena
Branch of the Illinois Central Railroad, now being constructad to Galena and Dubuque, is the State of Iowa, or the
Mississippi River.

At a point thirty miles west of Chicago it connects with
the Aurora Branch Railroad, now in operation thirteen miles,
and which is about being extended by that Company to the
Illinois Central Railroad, at a point sixteen miles north of
the Illinois River. At Chicago, its cautern terminus, it will
form connections with the Michigan Central and the Michigan Southern Railroads, constituting part of the main chars
of Railroad line from the Atlants cities to the Mississippi
River and the North-west.

The Road is now completed and in operation eighty-four
miles, eight miles from the town of Rockford, on the Rock
River, to which place the work is in active progress, and is
will be completed and put in operation by the ist day of August next, the iron for this section of the Road being now on
hand. The remaining portion of the work will be put under
sontract by the 20th May next, and probably be completed by
June, 1853.

The Illinois Central Railroad Company ansennce such
state of progress as to have the commenting link from Freeport
to the Mississippi completed early in the fall of 1853.

The grades upon the road are easy, the ruling grade west
seing 26 feet in the mile, and east 16 feet in the mile. The
entire cost and equipment of the road will be about
\$2,000,000. The amount of capital paid in the 571,000, and a
further amount of about \$200,000 has been subscribed, but
act yet called in. There are bonds outstanding as follows:
\$47,000 from the four River, a distance of 20 miles.

The gross carnings for the eleven months, from May I,
1851, to April I, 1852, were \$115,002 on a distance for the
